SENIORS

The Class of 1976

For three years
We've helped to crowd your halls
And create your atmosphere of noise and chaos.

We've known love, happiness, fear, and sadness,
shed tears and laughter,
And learned certain undeniable truths
Within your hallowed walls.

It is with a tear and much sadness
And many, many colorful memories
that we leave your security prepared
To face a vague and dazzling future.

"It Couldn't Be done"

Somebody said that it couldn't be done,
but he with a chuckle replied
That "maybe it couldn't," but he would be one
who wouldn't say so till he'd tried.
So he buckled right in with the trace of a grin
on his face. If he worried he hid it.
He started to sing as he tackled the thing
that couldn't be done, and he did it.

There are thousands to tell you it cannot be done,
there are thousands to prophesy failure;
There are thousands to point out to you, one by one,
the dangers that wait to assail you.
But just buckle in with a bit of a grin,
just start to sing as you tackle the thing
that "cannot be done," and you'll do it.

Flying
The wind running
The clouds laughing
The rain singing
My life has begun
The cool, long green grass
The soft, hazy, blue sky
The warmth and desire of life
Surges through me like an unknown force
Taking total control of my body
Joyously throwing my cares away
Rolling down a hill
Into a crystal clear lake.
Forgetting everything.
Flying high — touching beyond
Something only I can see and feel
— a want, a need
To be above all in being and thought
And here I am now — I am happy

I am flying.

The most beautiful and most profound emotion we can experience is the sensation of the mystical. It is the sower of all true science. He to whom this emotion is a stranger, who can not wonder and stand rapt in awe, is as good as dead. What an abyss of uncertainty, whenever the mind feels that some part of it has strayed beyond its own borders; when it, the seeker, is at the same time the dark region through which it must go seeking, where all its equipment will avail it nothing. Seek? More than that: create. It is face to face with something which does not so far exist, to which it alone can give reality and substance, which it alone can bring into the light of day.

I am a woman of heart and mind
With time on her hands
No child to praise

When love makes a fool of me.

All of fate's a chance
It's either good or bad
I tossed my coin to say
In love with me you'd stay
But all in war is cold
You either win or lose
When all is put away
The losing side I'll play
But all is fair in love

A writer takes his pen
To write the words again
That all in love is fair.

KIRSI KYLLIKKI KOTIRANTA

Hello Friends!

I remember well that the first few weeks here in the United States were like a dream. Everything was new; I met so many people and in addition I have not got used to talking all the time in a foreign language. I felt peculiar more often than once, but after these first little problems everything started to go well and what a wonderful year I have had! I have seen the United States from different sides, for I have had the opportunity to travel with my family to different places such as Vermont, Maine, and New Hampshire. I have been influenced by a different way of life and different people — so different from my Finnish upbringing.

All of you have been so outgoing and friendly; I have made many friends who have helped me in many ways to make this year a marvelous experience. Especially I remember Halloween and Thanksgiving, both of which were new for me, and my birthday which was full of surprises. I have also enjoyed a warm and close relationship with my family — the Kolstis. I felt like a member of the family from the very beginning, and with my sister Jennifer I have had many good times which I shall remember long after I leave the United States.

This year has been a year of such wonderful experience that I hesitate to say "good-bye" to friends, and it is hard, but I'm sure that the memories from this year will live in my mind long after.

BOTTOM ROW: Pam Draheim, Cindy Neff, Sherrill McKay, Mary Kluga, Monie McCarthy, Karen Gorman, Dawn Marinella, Marlene Boughton.

FIELD HOCKEY

Sadly enough, women's sports took a step backwards in the form of the MHS Field Hockey Team. Actually, captains Monie McCarthy and Mary Kluga had a finer team than the scorecards indicate. Their overall record was 0-7-1, losing each time by only a goal or two. Team members have stated that funfilled practices made the season worthwhile. We certainly hope for Mrs. Kelly and the sport's sakes, that practices were better than games. Well, nice effort anyway.

BACK ROW: Miss Moulton, Sue Kallio, Jody Eilertson, Dianne Cranshaw, Holly Batting, Lorraine Knowles, Cindy Robinson, Gail Irving, Debbie Colt, Sue Foley. VOLLEYBALL

Varsity Volleyball was a new sport for females this fall. Coached by the alltime favorite, Nerbs, Captain Anne Bruno and crew opened the season with four wins and one loss, a record which placed them in a three-way tie for first place. Naturally, as the season progressed, the team ran out of steam. At the end of it all, the record stood a brilliant five wins and five losses. It must be said that the losing streak began when the girls realized that the football team was also practicing from 2:30 to 4:30 and began spending more and more time outside. Fine job anyway team.

With the great serving of Laurie Renzi and Kim Warren, the JV volleyball squad giggled their way to a good season. Madame Co-lace was the coach of the JV nuts who also discovered the football team near the end of it all.

BACK ROW: Laura Fellini, Elaine Estep, Deidre Miner, Laurie Renzi, Miss Coach Colace. FRONT ROW: Cathy Wisnewski, Beth Meagher, Kim Warren, Beth Armstrong, Peggy Norton.

FRONT ROW: Kurt Scarcioti, Andy Bombelli, Doug Sharp, Bob Hilpert, Ed Hilpert, Jack Gallagher, Jon Cook, Richie Glass.

JUNIOR VARSITY SOCCER

Well, it happened. Soccer finally moved from the jungles of Elm Street to the luxurious green field of the Jr. High. However, after all that, Eastern Mass goalie Russ Wogs decided he needed a vacation and conveniently contracted mono. Medfield was in a more difficult league this year, which really seemed to bother the Hilperts. Ed, on all state all star, even went as far as to have himself kicked out of a game. Gags actually made all Dual County along with Bob Hilpert. Yea, men. The soccer boys ended with a 5-6-6 record, beating Dover 2-1. Not too bad, guys, we'll tolerate it.

P.S. Don't take us to seriously, guys.

JVs also had tough competition in the Dual County League this season. The team was all sophomore except for Doug Sharp and Jim Hamilton, juniors, who trucked on up to Varsity when they were in the mood. The last game was the best. De-feeting Bedford 2-1 with goals by cool Fred Snow and Mike Moore. The final record was 5-8-2. Fair job, little men. Wait a few years and you'll all be tough seniors.

VARSITY

CROSS COUNTRY

BACK ROW: Coach Belmont, Mark Constas, Kevin Lyall, Chuck Morse, Robert Kerekon, Keith Ulrich. FRONT ROW: Steve Astle, Tom McGrath, Keith Mozer, Carl Fetterol, Steve Johnson.

The highlight of the fall had to have been the Cross Country team. With an outstanding record of 1-6, the team beat all-powerful Hopkinton. Coach Belmont's stars were fast Fetteroll and Movin' Mozer, and Morse moved alright himself.

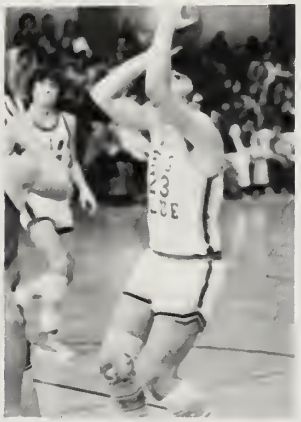
JV BASKETBALL

This year's JV team had an excellent and exciting season under new head coach John Ekstrom, with a 15-3 record. They exemplified the Big Blue tradition by running the fastbreak and preforming the full court zone press well. The team had many stars which help them over key games against such teams as Holliston and Westwood. To name a few, there were Scott Wallace, Tim Reardon, Bob Bready and Bill Nash. Coach Ekstrom plans to have many successful games in the seasons to follow.

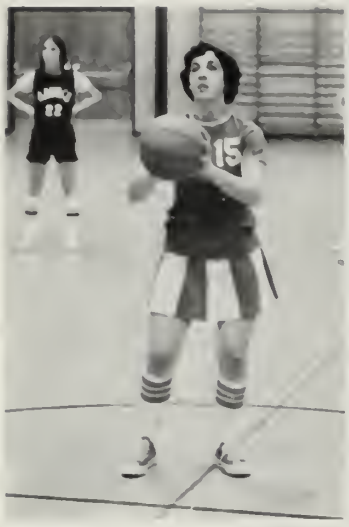


WINTER TRACK

Aside from finding a few new shortcuts, this year's Winter Track Team tied one meet and even won another. Finishing with a record of 1-5-1, outstanding performances were turned in by: Mike Keris and Bob Ryan in the high jump, Billy Kearns in the shotput, and our man Himmy Sullivan in the 40-yard dash. Ed McGlynn and Keith Mozer also had fine seasons. Unfortunately, potential exceeded performance but, Coach Youlden's men and women are still our heroes.

MEDFIELD

MS. HOOPS



The Female Big Blue came up with a 9-7 season this year. Lovely Coach Graham and fun-loving Jean Senatore led Anne Bruno and Steph Thayer to superb injuries and a couple of exciting losses to Westwood. They lost to the mean green by only five points, which is as close as any team came this year.

JUNIOR VARSITY

BACK ROW: Miss Moulton, Donna Dewer, Nancy Patterson, Marie Luna, Debbie Colt, Sue Kallio, Gayle Horton, Linda Woodlock, Kelly Roberts, FRONT ROW: Chris McDonald, Mary Gerah.

The little women and Coach Moulton had a 10-6 record this year. Mary Gerah was season high scorer with Chris McDonald right behind. The girls did a really good job and finally got some decent uniforms. Women do it again!

MHS RAH RAHS

TRI VALLEY CHAMPS

The exciting MHS cheerleaders, led by ivacious captain Leslie Anne Morgan, aptured yet another Tri Valley Cham- ionship. Not only did they add a new olden cheerleading trophy to the display ase, but they furthered the progress of he sisterhood, showing that the female athletes are as much winners as the males. Of course, we must mention the fine job they did cheering the football and basketball teams on to victory. Congratulations and thank you, Rah Rahs of '76.

GYMNASTICS

TOP BAR: Mary and Carol Potts LOWER BAR: Wendy Chudzik, Terry Pinder, Lisa Moore, FLOOR: Coach Robbins, Ann DiMartino, Someone, Gayle Sinatra, Kim Warren.

We have ourselves an Olympic Gymnastic team. Coached by Mary Robbins, they walked-over to a 1-5 record. Beating only Ashland, the girls had some close meets and some real bomb meets. Smiling Lisa Moore fudged her way through the season as one of the most outstanding athletes. Bellingham and Ashland were the best meets. Next year's team should be rather fine with Mary and Carol Potts panning for more success along with upcoming freshwomen.

"CLASS" of '76

"I would like to call attention to the townspeople of Medfield an incident that occurred at Holliston High School, Wednesday evening, Feb. 18.

The Medfield Varsity 'BIG BLUE' Basketball team defeated the Holliston team, 77-66, on the Holliston court. It was the first time in five or so years that Medfield had beaten Holliston on the Holliston court. Naturally, the team was happy over their victory and wanted to cut down the Holliston nets, as it is customary when a big victory is made in the Tri Valley League. I must say that the Holliston fans were quite upset at the thought of this. The 'BIG BLUE' captain, Scott Watkins, was the first Medfield player to cut the nets, after receiving approval from the Holliston coach. After the first net was down, Paul Reardon, you might call him a co-captain of the team, started to cut down the other net. He was approached by a Holliston resident who told him that she thought that he was terribly wrong. Paul immediately got down off the shoulders of his teammates and listened to what the resident was saying. Upon seeing this, the Holliston coach went over to the resident, put his arm around her leading her away, telling the resident that it was all right for the Medfield players to do so. After all, the boys on the team worked hard for this honor.

On the way out to the parking lot, Medfield students were harrassed by Holliston students. Medfield students were called every name in the book, pushed and shoved by the Holliston students, just to mention a few things. I, as a Medfield student, tried to explain the situation to those Holliston fans who were harrassing me, saying that it was a part of the game and that if the situation were reversed, the Holliston team would have done the same thing. That of course, was denied; the Holliston school had 'CLASS'.

I'll tell you what 'CLASS' is. 'CLASS' is Scott Watkins and Paul Reardon stopping immediately when the process of cutting down the nets was protested by the Holliston fans. 'CLASS' is the Medfield cheering section, 'THE PIT', who didn't tear down the signs in the Holliston gym, as the Holliston fans did in Medfield a few weeks ago when their team was defeated on the Medfield court. 'CLASS' is being good winners and losers. 'CLASS' is being good sports.

That's what 'CLASS' is, and I'm proud to say that Medfield High School has it."
